

We will **investigate**—inquire, reflect, and explore.
We will learn about our social, emotional and physical needs to be able to keep ourselves **safe**.

We will care and share to help create **unity** in the world.

We will try to think **creatively** all the time.

We will care about our school, local, and international **communities**.

We will do our best to learn as much as we can—**education**.

We will care about and be responsible for the **environment** — Earth and everything on it.

We will **dare** to be the best person we can be, with patience, kindness, integrity and respect for others.
