3rd November 2011

Dear Parents,

## Year 12 IB CAS IZEV Project

This year, our initial long term Creativity, Action and Service project will be collaborating with the students at IZEV on many practical tasks. The Istanbul Zihin Engelliler Vakif School gives its students with Special Educational Needs the opportunity to live more independent lives by the continuation and development of life skills needed in adulthood which we would, perhaps, take for granted.

Our role in this collaboration will be to set up and carry out a number of projects working alongside those students. This peer/buddy system aims to be a highly rewarding experience for all individuals involved and we hope this will have a positive, lasting impression on our students as we continue to broaden their educational experience and challenge them to apply their knowledge and understanding.

In order to establish a good working environment between our respective students, we will be taking our students to their campus on various Tuesday or Thursday afternoons. We would like to start with Thursday 24<sup>th</sup> November, Tuesday 6<sup>th</sup> December and Thursday 15<sup>th</sup> December. Thus, please complete and return the attached consent slip by Wednesday 15<sup>th</sup> November 2011.

Yours faithfully,

Stephen John & Caroline Garner
