New Friday Activity Opportunity

Dear Parents,

There will be a motocross activity opportunity for secondary students during term 3. It will be held in the motocross park in Kilyos.

As the only Motocross/Enduro Training centre in Turkey the Motocross Park Kilyos crew are teaching motocross from beginner to experience level from ages 5 to 60 years old.

The training circuits are located in a 30000m² area which is closed to any public traffic. From the first lesson the goal of the training centre is to teach the students how to ride a motorcycle safely and have fun!

The training coaches are many times National and Eastern European Champions Suleyman Memnun and Sinan Memnun who will be offering our lessons in English.

"As a hobby rider or racer everyone can find a challenge for themselves in the Motocross Park Kilyos." For further information you can check out the park at www.motocrossparkkilyos.com

The package on offer for our students will be 10 x 1 hour lessons.

The cost of these lessons will be 810TL for 10 hours of instruction.

Fully qualified teachers, safety equipment, motorbike and petrol are all included in the above price.

If you are interested in your son/daughter participating in this new activity please sign and return the slip below with 810TL to myself by Wednesday, 23rd March. This will allow me to secure a place for your child, with the first lesson beginning Friday 15th April 2016.

Yours sincerely,
Nursena Kamaş
Activities coordinator
