Dear parents,

In line with our Guiding Statements, we are dedicated to educating students in a stimulating environment to the highest possible academic standards. We are committed to providing excellent international educational programmes, from the modified English National Curriculum through to the International General Certificate of Secondary Education and the International Baccalaureate Diploma Programme.

We are committed to promoting open and effective communication within the community. To this end we would like to invite you to attend our inaugural Open Morning on Tuesday 3 November between the hours of 9:00 and 12:00. The Open Morning is fully supported by the Parent Teacher Association and will have the following format:

- The morning will be held on a normal school day with no special events or classes organised.
- The ethos of the morning will be completely positive.
- Parents are asked not to interrupt the teaching taking place.
- Parents are asked not to distract their own children by greeting them in class.
- Parents are asked not to open children's books and files
- Parents are asked to simply observe the teaching and learning taking place.
- Pre/Primary and Secondary parents are invited to visit any classes.

Although this event is an Open Morning, for security reasons we do need to know exactly who will be attending and therefore, we ask you to complete and return the attached form.

Yours faithfully,

The Senior Leadership Team
