Students and parents schedule on the day

Come to school in your own clothes with a festive theme! You can collect your child at 13:30 and have a fun afternoon doing some festive shopping and playing some seasonal games!

## Getting started

There are 3 Wacky Wednesdays before the Winter Bazaar. We ask for your child to bring in a gift on this day, and they can wear their own clothes with a Wacky theme.

“For our first Wacky Wednesday, please can your child bring in a jam-jar full of gifts! They can wear their own clothes with Wacky hair!”
