Dear Parents,

We would like to introduce a special poster competition to the Primary students – How We Mark Our Work.

Every classroom has a small poster which outlines the marking procedures for students and teachers in the key stage. However, after several years of looking at the same poster, we thought what better idea than to offer our brilliantly creative students a chance to jazz them up! Key Stage one students are invited to redesign the KS1 Marking Poster and Key Stage two students are invited to redesign the KS2 Marking Poster.

Attached are our current marking posters for your child to be able to use as a reference. The due date for all entries is Tuesday 1 December. The winning entries will be published as the classroom ‘How We Mark Our Work’ posters.
