Zekeriyakoy Primary Music Spring Term Newsletter

19th January 2016

Dear Parents,

It was very gratifying to see the students of Primary school growing in confidence as they performed on the stage in assemblies and music concerts over last term. After each performance, students often watched the videos of the performance and discussed how they could improve the performance in music lessons. I would like to keep encouraging these bright young talents in seeking better music performances, experiencing various music genres and watching other's performances this term. Listed below are some activities planned for this term. Please feel free to get in touch with me if you have any queries on these activities.

Regards,

Tomoko Ogusu, Zek primary music teacher
