Dear parents,

Final Term Letter from the Director of Secondary

We have now started the final term of what has been a very hectic school year. As I write this letter we have just 42 school days to go before the start of the summer holidays. Year 13 have now left us and started their study leave, Year 11 will be leaving us at the end of this week and next week the external examinations for IB and IGCSE commence for those year groups.

In this final term we continue to have lots of activities for our students; this week, for instance, is Creative Arts Week, the whole of the secondary school will be getting involved in one way or another with creative arts. Other events include Photography Week (next week) and Science Week at the end of May. We also have two trips out this term, there is a combined German and History trip to Berlin underway now and the Year 8 trip to Igneada will take place at the end of the month.

On Saturday the 4th of June, the whole school gets involved in the Fun Day which the PTA organise. This will be my first Fun Day so I am really looking forward to it (I am told that there is even a chance of the weather improving a little by then!) and hope to see you all there.

As we approach the end of the year, all of the staff and the students will be working very hard to ensure that everyone is fully prepared for the end of year examinations which take place between the 13th and 16th of June.

May I take this opportunity to remind you that, if you have not done so already, you need to re-register your children for next year if they are returning. In order to complete the re-registration process or find out what the next step in the process is, please email our Director of Admissions, Ms. Tuba Guven at registrar@bis.k12.tr. She will be delighted to answer any questions you may have.

As always, I look for your support in everything that we have planned and my door is open to you if you would like to come in to discuss any issues with me. The last term of the year is always an exciting time in schools and the next eight weeks are unlikely to be an exception. I shall be away in London for the next few days finalising the recruitment of teachers for next year and will let you know how successful I have been when I return.

Yours faithfully,

UNIVERSITY of CAMBRIDGE
