Dear Parents,

Art Trip Pera Museum – Saturday 15TH January

As an Art teacher I believe that visiting exhibitions and galleries is an essential part of developing and inspiring new ideas and concepts, which will contribute to the successful development of your son or daughter in this subject.

I would like to take all IB and IGCSE Art students to view the work of Frida Khalo and Diego Rivera at the Pera Museum. This collection displays over 40 pieces of magnificent work, which is globally renowned. This is a wonderful opportunity for any art student giving them first hand knowledge and experience of very diverse, cultural and political artwork. The trip will take place on Saturday the 15th of January meeting at 10am outside Taksim Metro station by the statue of Atatürk on the central island. We will travel together to the exhibition at the Pera Museum, Meşrutiyet Caddesi No.65, 34443 Tepebaşı - Beyoğlu – İstanbul.

We are unable to arrange transport for the students. Please could you arrange your own transport to the meeting point? We will meet promptly outside Taksim Metro Station at 10am. We will be finished by 2.30pm and aim to be back at Taksim Metro Station by 3pm for you to meet your children. If you give permission students will be permitted to make their own way home.

Tickets for the exhibition are 10 TL, however it's a good idea to give your children some extra money for any food or drink, also there will be an opportunity for them to visit the Pera gift shop. Your children should bring a sketchbook and some pencils on the day to be able to get some quick sketches and first hand observational drawing. Please encourage your sons or daughters to bring relevant student ID to ensure they pay the student rate. If you would like your son or daughter to attend and you can arrange transport to and from the meeting point, please return the reply slip below by Thursday 13th January.

Please do not hesitate to contact me at school if you have any questions or concerns.

Yours faithfully,

Iysha Miah,
Teacher of Art
