5th January, 2011

Dear Parents,

Special Educational Needs Department

The first months of the school year have moved along very smoothly. As the students have transitioned into their new year groups, they have become accustomed to their new teachers and their teaching styles.

SEN would like to welcome a new staff member. Louise Brown joined the SEN Department in November and is working with students in KS1, KS2, and KS3. She will also be working with the students at both City Campuses, increasing their services from once a week to three times a week. The addition of one new staff member has allowed us to expand our student range through KS4/5 and assist with IGCSE accommodation approval.

The end of term exams provided the SEN members with the opportunity to read and scribe for students who qualify for these services and to monitor additional time. The students were responsible and extremely hard working during all exams across all subject areas.

The SEN department is located in the top floor of the primary building. If you have any questions or concerns, please contact us at 202-7027 ext.187.

Yours faithfully,

Toni Altuğ
SENCO
