24th June 2011

Dear Parents,

We are now at the end of another successful term for the Math's department. We have had an exciting and productive year that has included, Math's Olympiad, World Math's day, Pie Day and various local and overseas field trips. These extra curricular activities have served to enhance strong and successful programmes in all key stages.

Next Academic Year we are joined by Miss Holly Garner who will fill the hours presently taught by Justin Robertson and William Bradley. We are all looking forward to moving into the new building and expect another stimulating and rewarding year, in which we aim to build on our success and improve our excellent IGCSE and IB results.

I wish to take this opportunity to thank you for your support and encouragement; this has made a big contribution to the success the department has enjoyed this year.

Best wishes for the summer.

Stephen John
Head of Mathematics
