

27th April 2011

Dear parents,

It's time for our last 2nd hand school clothes sale of this school year.

We have gone through all the uniform and non-uniform items of clothing left behind at the school since last term in both Primary and Secondary school. All in all we have found two very large refuse sacks full of unmarked clothes. The named items have been returned to their owners.

We are planning another Clothes Sale day on Wednesday 4th May from 9:00-10:00 outside the theatre area. We will put on display all non uniform items so if your child has lost an item during the past couple of months please come and take a look!

Items not claimed will be given to charity.

Thank you
PTA Campus Committee
