30<sup>th</sup> March 2011

Dear Parents,

### **Primary Links Project** **Etiler- Monday 25<sup>th</sup> and Wednesday 27<sup>th</sup> of April 2011**

As an Art teacher I believe that collaborating and creating exciting projects that link our Primary and Secondary schools are a really important part of learning and developing in new ways.

I would like to take a select group of year 9 and year 12 Art students to be involved in this fantastic creative project. Your child has been selected to take part because they have worked very hard this term in Art, they have attended clubs and shown a real interest in the subject. The concept of this project is to allow the year 9 students the opportunity to become creative mentors and creative advisors to the Year 6 students. The year 12 students will also give guidance and support to both the year 9 and year 6 students. The inspiration is the environment and how much society wastes through rubbish. The students will be collaborating to create and innovative installation that will promote a safer environment. This is a wonderful opportunity for the school to share creative ideas and also a chance for the year 6 students to feel more comfortable about their future arrival in Secondary School. There is already a real buzz around the school among students and teachers, this unique experience is something that can continue and grow to embrace the Arts and the importance of the school as a community.

We will to arrange transport for the students. The transportation will take us from Zek campus at 9am to Etiler and bring us back to Zek for 3.35pm on both days. There will be no costs involved. Please ensure your children attend school on time for both days, as we would like to leave as soon as possible. Lunch will be provided by the school, however feel free to provide your own lunches if you wish. The days will be very full so there will be no time to visit shops for snacks. If you would like you son or daughter to be involved in this fantastic opportunity please return the reply slips by Monday the 4<sup>th</sup> of April. Any students who do not bring back reply slips will not be able to attend and new students will be selected.

Please do not hesitate to contact me at school if you have any questions or concerns.

Yours faithfully,

Iysha Miah,  
Teacher of Art
