

Wednesday 6 April 2011

Dear Parents and Children

On 29 April, all over the UK, people will be celebrating the Royal Wedding of Prince William to Kate Middleton. We here at the British International School will be no exception. A fun day for all Pre School and Primary children has been planned to celebrate this happy occasion in true British style!

All classrooms will be decorated in red, white and blue on the day. Thank you to the PTA for providing the bunting. The children may come to school dressed in red, white and blue or as a prince/ princess with a British theme. The day will start off when we welcome Queen Elizabeth II to our campus as she makes her way to London and her very own Buckingham Palace, which has been relocated to our school green gym. Thank you to Sandra Watson and her team for all their hard work with this transformation.

We will continue with a fun, informative royal quiz in our assembly. How much do we really know about the British Royal family? Lunch will be The Best of British with Bangers and Mash and Jelly and ice cream. YUM! The wedding will be broadcast live in the theatre at lunchtime for all children to watch. Our party continues in the afternoon when all children rotate around the classrooms, playing a variety of games with a royal theme. All children will visit the queen to receive a souvenir of the day. No royal celebration would be complete without afternoon tea. So we will return to our classrooms for a tea party before school ends.

As you can see we are sure this is going to be a fantastic fun day but we do need your help. We would like to ask all parents to provide food or tableware for the classroom tea parties. Afternoon tea is traditionally small sandwiches, scones, cakes and jam tarts. Please refer to the given websites if you are unsure of the recipes.

We shall also be making a BISI wedding display. We invite all of you to send in named wedding photos. They can not be returned so please send in a scanned copy. Please complete the form below and return to your Class Teacher so that arrangements can be made. We thank you in advance for your help and cooperation.

BISI Royal Wedding Party Planners

.....
Royal Wedding celebrations Please return to Class Teacher on Monday 25 April 2011
