20 November 2018

Dear Parents,

In October I wrote to you to cordially invite you the IGCSE Awards Ceremony to celebrate the achievements and successes of the IGCSE class of 2018. It is open to all parents of the IGCSE class of 2018 and current year 11 students who sat an examination in June 2018.

This heartwarming event will take place on Wednesday 28th November, when about 45 students will be honoured in a ceremony celebrating their achievements during the June 2018 IGCSE examinations. The ceremony will take place in the school theatre, starting at 1.50pm and will last approximately 1 hour.

During the ceremony there will be a guest speaker addressing our students about her experiences and her successes and the IGCSE Award will be handed out to the student with the greatest achievement for the year group. This award has been closely contested in past years and this year will be no exception; the IGCSE cohort of 2018 are a very ambitious group of students and did very well in their examinations.

Following the ceremony there is the opportunity to congratulate the students & their families personally as we celebrate with cake and drinks. If your child/children will not be using the school transport to return home, please inform AZAL or the school secretary directly.

I hope that you will be able to join us for this event. I would be grateful if you could confirm that you are able to attend this occasion by replying by email to the following address: k.skoudy@bisistanbul.org. If you have any questions, please do not hesitate to contact me at the same email address.

Yours faithfully,

Katya Skoudy
KS4 coordinator & IGCSE examinations officer
