20 November 2018

Dear BISI Community,

Re: Alice (BISI Production 2018) Reservations

You can now reserve your tickets for BISI's production of Alice. The show will play on 4th, 5th and 6th December in the theatre at Zekeriyakoy Campus; it will start at 7pm and should finish at approximately 9pm. This year, we intend to go paperless with tickets and programmes for environmental reasons. Therefore, to reserve a seat, please send an email to:

s.cosnett@bisistanbul.org

Please state within the email:

- how many adult and/ or child tickets you want and the night/s you want them for
- your name

When we receive your request, we will confirm your reservation by email. Simply bring the money for the ticket/s on the night. There will be a stall to take payment located outside the theatre. We will keep a record of your name and how many tickets you have reserved so there is no need to worry about bringing anything with you, but you may show the confirmation on your phone for ease and speed if you wish.

Closer to the performance nights, we will also email you a copy of the programme for you to download and bring with you on your device.

Of course, assuming there are seats available still, you can purchase tickets outside the theatre on the performance evenings; however, we regret we will not be able to provide programmes for you to enjoy if you do not reserve by email in advance.

Tickets for children/students cost 15TL.

Tickets for adults cost 30TL.

We hope that we will see you in Wonderland on any or all of the performance nights.

Yours faithfully,

Scott Cosnett
Head of Creative Arts
