## Languages Available for self-study at IGCSE

If a student is fluent in a foreign language, perhaps it is their mother tongue or they have lived in a country for a significant length of time, then they can apply to take an extra IGCSE in this subject. This can be done in year 10 or year 11 and we often encourage students to start with 2nd language study (if it is available) and then progress onto the 1st language exam in the second year.

- [Afrikaans - Second Language](#) November only
- [Arabic - First Language](#)

**\* please note these languages will no longer be available after June 2021 (November 2021 – Japanese)**

## Application to take a Self Study IGCSE Language

If you think your child may be able to take a **Self Study Language** at IGCSE (this means that your child must be proficient in the language either because it is their mother tongue or because they have spent a long time living or studying in this language) please go to [www.cie.org.uk/qualifications/academic/middlesec/igcse/subjects](http://www.cie.org.uk/qualifications/academic/middlesec/igcse/subjects) and look at past papers in this subject to see if you feel that your child has the fluency to take the exam.

If you are sure they will be successful in a self study language please print out and fill in the Self Study Language Application Form on the next page and return it to Ms Skoudy who will consult with the Head of Modern Foreign Languages. **Please inform Ms Skoudy by 5th October 2020** that you would like your child to sit a self-taught language. Please note that **there will be an additional charge** for any extra IGCSE syllabus taken.

Entry in a second language is subject to the school being able to find an oral examiner in the language your child wishes to take. First language exams do not have an oral component but require a much higher level of competence.

Students who enter for a language must commit to completion of past papers to prepare for the exam, please take into account that they may need help with these papers either from you as a parent or from a tutor fluent in the language.

---

## Self Study Language IGCSE Examination Application

**Please print out this page, fill in your details and return to the IGCSE coordinator. The deadline for final entries is December 8th, however I need to inform the exam board in October if there is any interest.**

# Coursework for the IGCSE

The following syllabuses require students to submit coursework throughout the year. For First Language English, Music, Drama and History the deadline when the final draft of the coursework must be handed in ready to **be sent to the board is March 24<sup>th</sup> 2021**. This means there will be internal departmental deadlines which will have to be met by students so that you can get the appropriate feedback from subject teachers and have time to redraft the coursework which must be adhered to.

All coursework is marked against criteria that are published in the syllabus guidelines.

You will be asked to produce a draft version of your work which the teacher will then mark and advise you on how to improve the work to meet the coursework criteria.

0400 Art and Design

0410 Music

0411 Drama

0470 History

0500 English First Language

Please note that for 0413 Physical Education there is a practical component.

## Information for candidates

To help maintain the security of our exams please share this information with your candidates.

### Coursework

Coursework provides you with an opportunity to do independent research into a topic that interests you. You will probably look for information in published sources, images, and via multimedia, including the internet. Using information from all these sources is a good way to show your knowledge and understanding. Take care how you use this information – do not copy it and claim it as your own work.

#### What can I do to be academically honest?

- Make sure that you understand all instructions given to you. Ask your teacher if you are not sure.
- Learn how to correctly reference your work. Include references for all sources you have used, not just books but also internet sites, images etc.
- If you work within a group, make sure that your contribution is your work, using your ideas.
- Acknowledge the work of others.
- Allow enough time to finish your work so you are not tempted to cut corners and leave out references.

#### What you must not do

- Do not allow others to have access to your work. You will be held responsible if it is copied.
- Do not copy another person's work and pretend it is your own. This includes the work of other students, books, images and web pages. This is known as plagiarism.
- Do not make up or invent data or findings. This is called fabrication.
- Do not accept help and input from another person, or work collaboratively when this is not permitted; for example, working with a classmate on an assignment and then submitting it as entirely your own work. This is called collusion.

## Information for candidates

To help maintain the security of our exams please share this information with your candidates.

### Full Centre Supervision

Your exam board, Cambridge International Examinations, has candidates in over 160 countries. It is really important that question papers are kept secure so that the exam is fair and that all candidates get the marks they deserve. To help keep the question papers secure the exam board asks your Centre to supervise you at particular times around your exam. We call this 'Full Centre Supervision'. You must follow the rules for Full Centre Supervision. If you do not, you may not be allowed to take the exam, your paper may not be marked or your results may be cancelled.

### Full Centre Supervision rules

- Full Centre Supervision sessions can take place before or after your exams. You must attend all sessions and arrive in good time.
- Your Centre will tell you the dates, times and venues of your Full Centre Supervision sessions.
- If you arrive late, report directly to the person in charge of the session.
- You are not allowed to have mobile phones or use any communication device, including the internet, during Full Centre Supervision.
- You can have books and revision notes with you during Full Centre Supervision, but you must not take them into the exam)
- You can talk to each other during Full Centre Supervision, but you must not during the exam.
- Do not leave the room until you are given permission to do so.
- If you need to leave the room you must be supervised by a member of staff.
- If you feel unwell during Full Centre Supervision tell the person in charge of the session.

## **Access Arrangements for Learning Support**

It is possible for students to receive special access arrangements during IGCSE exams if they have been using these arrangements throughout the school year and the application is supported by a statement from the LS department, a Psychological or a medical report.

We can apply for special arrangements if a student has needs in one or more of the following categories:

- 25% extra time
- Rest breaks
- Separate invigilation
- Transcript
- Prompter
- Word processor
- Learning difficulty
- Hearing impairment
- Visual impairment
- Medical

*The LS department should be consulted at the beginning of the academic year if you have any questions about a student qualifying for access arrangements.*

# IGCSE Exam instructions for BISI

**School Uniform:** Students must wear full school uniform for **all** examinations and arrive at school at normal times, and **at least 30 -45 minutes** before their examination is due to start. We recommend having a 'buddy' from your class who will ring you if you have not arrived half an hour before the exam starts.

**Be on Time:** It is the responsibility of the student to come to school at the correct time and on the correct day for an examination. **Morning Session STARTS at 9.00am** and **Afternoon Session STARTS at 1.00pm.** Students are expected to be outside the examination venue 15 minutes before. All students are expected to check the exam timetable making a note of the days and times of each exam. I would advise to highlight theirs on the timetable.

**Absence:** If a student is late or absent they should call the Deputy Director of Secondary on **0533 544 7818** or leave a message with the school secretary on **0212 202 7027**. **Please be aware, however, that it is not possible to reschedule missed examinations.**

**Equipment:** Students must bring the correct equipment to an examination: Blue or black pens, HB pencils, pencil sharpener, eraser, ruler, protractor, compasses and a calculator for those examinations where it is permitted. Calculator lids should be separated from the calculator and **all equipment should be in a transparent plastic bag**, pencil cases are not allowed into the examination room. **The school cannot lend equipment to students, nor can they borrow equipment from other students during an examination.**

**NO Electronic Devices:** A copy of the rules applying to IGCSE examinations (published by CIE) is attached. According to these rules it is forbidden to take mobile telephones, MP3 players or any such devices into the examination room. Please note that no watches will be allowed in the examination room. If these items are brought into school **they must be left in lockers. They should not be taken into the examination room.**

**Water:** Water will be available in the examination room, a personal bottle of water may be taken in provided it is transparent and without a label.

**Silence:** Students should be silent once they have been instructed to line up. They must enter the examination room **silently** and it is strictly forbidden for students to communicate in any way with another student while in the examination room, this includes speaking, smiling, gesturing or attempting to attract the attention of another student. **This includes the time after an examination has finished whilst examination papers are being collected and counted. They must also leave the examination room in silence.**

## **During the examination:**

If a student believes they do not have the correct examination paper, support materials, he must alert an invigilator immediately.

**Transport:** Students should arrange their own transport during the examination period (in consultation with AZ-AL where appropriate). **All afternoon exam sessions require the students to be supervised until 4pm.**

**Malpractice:** The school is obliged to carry out its duty to report any student who does not follow the international regulations of the examining authority.

**School Holiday:** Examinations continue on these days for IGCSE. Students must arrange their own transport **AND** lunch on these days.

## Notice to Candidates

### Know the rules before you take your examinations

1. You **must** be on time for all your examinations and any required periods of supervision.
2. You **must** bring the equipment you need to the examination e.g. pens, pencils and rulers.
3. You **may** use a calculator unless you are told not to do so, but you **must not use the calculator function of another device**.
4. You **must not** become involved in any unfair or dishonest practice before, during or after the examination.
5. You **must not**:
  - Sit an examination in the name of another candidate.
  - Have unauthorised material, including electronic devices and mobile phones in the examination.
  - Have any equipment in the examination which might give you an unfair advantage.

6. Having unauthorised material in the examination is breaking the rules, even if you do not intend to use it. If you have any unauthorised material you may be penalised or disqualified.
7. You **must not** talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.
8. You **must** follow the instructions of the invigilator.
9. If you are in any doubt speak to the invigilator.
10. You **must** leave the question paper, your answer book or answer paper, rough work and any other (used or unused) materials in the examination room.

## Exam Results

Exam results are issued mid-August. CIE has introduced a system to allow students to access their IGCSE results directly. Each student will be issued with a personal password and instructions to allow access to their own results. This must be kept safe and not disclosed to any other student.

Exam results can also be gotten by emailing the IGCSE coordinator on the day that the results are released.

## Retake entries

A student who wishes to retake an IGCSE examination can do this in November of the same year or June of the following year.

In November you can enter up to the deadline date without being charged **late** entry fees if the student sat the **same syllabus**, regardless of the option code, in the June examination series of the same year. However the school will be charged for any entry for resit and the cost will be passed on to you.

Should you want to resit any examination please talk to your subject teacher first and then contact the IGCSE coordinator well before the deadline.

## IGCSE Award Ceremony & Official Certificates

In November we will hold the Award Ceremony for the June IGCSE examinations. At the ceremony we will celebrate the achievements of our students and give out the official IGCSE certificates (these usually arrive at the end of October). Your child will need this certificate for official proof of their examination results.

If your child is leaving BISI at the end of the school year and will not be able to collect their certificate please email a forwarding address to the IGCSE coordinator. It will be arranged for the certificate to be sent on once it arrives. It is also possible to **make an appointment** to collect the certificate from the school when visiting Turkey.
