

4) Please observe how your children react within the group. Our aim is to begin to teach the children to share and play together. Their fine motor skills should begin to improve when using paint brushes, drawing with pencils and completing jigsaws. Additionally, their concentration span should begin to improve!

5) If your child has a cold, please refrain from bringing your child to the Playgroup.

6) Please ensure that your child washes his/her hands after art activities, going to the toilet and before eating.

7) Please show your child how to tidy up. Please ensure that the toys are put the right place. This is good training for the Pre School classes.

8) Please be reminded that the care of your child is your responsibility while at Little Pine Cones Playgroup.

9) In the interests of child protection, please do not use your phone whilst in Playgroup- please leave it in your bag. If you fail to do so, you will be asked to leave the Playgroup session.

**Enjoy your time with your child at
Little Pine Cones Playgroup**

www.bis.k12.tr

Pre School classes start at 2.5 years old. Please contact
Richard I'Anson, Pre/Primary Director, on
richardianson@bis.k12.tr for further details.

- 1) Please note the arrival and departure times. Take care when arriving or departing from the hall.
- 2) Please supervise your children at all times. Ensure your child is playing within the boundaries of the hall. Take care when your child is playing on the gym equipment inside or outside. Monitor your child when he / she is playing with other children.
- 3) It is our policy that children must be seated during meal times, until they have completed eating their meal. There is a potential hazard of choking if the children are not sitting down whilst they are eating. We teach the children how to sit and eat properly, and encourage them to eat together as a social activity.
