In order to achieve re-accreditation, BISI must successfully undergo a British Schools Overseas Inspection. The inspection will be carried out by the Schools Inspection Service (SIS) who will visit the school between the 11th April and 14th April. Sun Protection

As the weather gets warmer, please make sure that your child brings a hat to school. Also sun cream can be brought in and kept in the classroom for application during the day.

Morning Arrangements

As you are all aware, the beginning of the school day is at 09:00hrs. Children can arrive from 08:45hrs. It is important that your child does not come to school before this time as there is nobody to supervise them. If you do arrive early, please remain with your child until school supervision starts.

Please ensure that your child is at school on time as lateness is very disruptive to the class. Also, it would be very helpful if parents who drop off their children could leave the school grounds by 09:00hrs. Thank you for your support in this matter.

Security

We often use a SMS messaging system to announce unscheduled school closures or other important information. If your contact details change, please contact your campus secretary. This includes your email address, as many of our communications are now online.
